Monday, December 5<sup>th</sup>, the City Council will have a Special Presentation at 4:00 p.m. for Nadine Hogate of the Neighborhood Revitalization Board for her years of service.

Linda brought a calendar and we marked the tentative dates for our board meetings and our membership meetings. Valerie will check with the library to see if these dates are OK with them.

At our January meeting, Jim Busch will be our speakers. He has postcards of Des Moines.

NEN&F website is "under construction". Linda has provided our information to him for him to put on our website. She has been paying bills to maintain the domain so will check to see if they are related to NEN&F and if so, provide bills so she can be repaid.

Linda said that Arnie DeWitt had contacted her asking for our support to rezone his property. It was decided that Marge would write a letter to the Planning & Zoning Board to show NEN&F support.

The Restore for Habitat for Humanity is having a ribbon cutting ceremony on Thursday, December 8<sup>th</sup>, at 11:30 a.m.

Regarding the e-mail from Harlan Donaldson regarding picking up the SCRUB sponsorship for 2012, it was decided that we would not sponsor it.

Meeting was adjourned at 10:00 a.m.
