RE: Donation to Willard Elementary School

Dear Linda,

We would like to extend a very special thank you to you, the Northeast Neighbors and Friends Association and to Merit Resources for your very generous donation of school supplies to our school. The supplies you donated have been given to students who were in need of school supplies to begin the school year. Our staff and students were very touched by your generosity and willingness to help. We are so grateful for your kindness and generosity towards students in need. It is people like you that make Willard Elementary School and the Des Moines Public Schools a great place for our students to learn and grow.

Sincerely,

Julie Kruse
